

NEPTUNE - Bals

An Indo - German Joint Venture

Industrial Plugs & Sockets

Product Preview & Price List 2020

Price effective: August , 2020

WHO WE ARE

Energy efficiency is one of the rising needs in the **urbanized world and many products are introduced** to fulfill this demand.

One of the crucial advantages that energy efficiency products bring is the reduction of cost. For implementing cost saving measures, industries are looking forward to products that will also help them in maintaining their position in the growing market.

A Leader in the Energy Saving, Power Quality & Power Distribution Management Sector of India, Neptune India set its foot in the market with a dedicated approach and a strong vision to become a specialist in the field of energy saving. Today, the company strives forth with its love for energy and has taken huge steps to implement best solutions in all aspects of energy.

Established in the year 1989, Neptune India; with over 30,000 plus installations across the country and having a pan-India sales & support network. Neptune is a known brand in the Power Factor Correction, Energy Management, Harmonic Filtration & Power Distribution Products & Management.

VARIABOX The new generation of distributors HSN-8537

The new VARIABOX from Bals meets all requirements for a modern distributor housing and can be individually configured in 5 different sizes with versions S, M, L, & XXL as surface mounting or mobile combination. We have the right distributor for every user. Configuration according to individual specifications on the basis of pre-defined, encoded flanges, which offer a maximum level of safety during the initial installation & /or maintenance. With their robust design in a high grade & durable, quality plastic, their good seal, the modular expansion option & many Innovative extra features, the new VARIABOX proves itself even under the most adverse conditions.

Features

- > Ready wired for installation
- > Housing made of high-grade, impact-resistant plastic
- > Top and bottom can be sealed together
- > Permanently attached cover screws
- > All CEE socket outlets with screw less, maintenance-free QUICK-CONNECT connection technology
- > Colors, bottom-black, top-electro grey (Housing top optionally available in the colors yellow, red, blue or silver)
- > With high quality handle
- > Coded flange system for maximum safety during initial installation and maintenance
- > Fuse elements arranged below transparent, lockable operating window with user friendly OTC mechanics (one touch close)
