### OUR PRODUCTS :

The brand **Stackfine**<sup>®</sup> consists of variety of products which includes Audio, Video, Computers, Telecom Accessories, etc. We at **GAYATRI INTERNATIONAL** believe in maintaining and delivering premium quality products to ensure customers satisfaction for constant growth and development.

36+

### OUR EXPERIENCE :

**GAYATRI INTERNATIONAL** was established in the year 1984 by three veteran Business families for export of electronic and electrical accessories with a strong team of technical background. During that golden period with the help of our UAE distributors brand **Stackfine**<sup>®</sup> has become very popular not in Dubai, Abu Dhabi, Sharjah but in the entire region of Gulf, Africa and East European countries. In the year 2008, our company started business in India with a full range of accessories with only 27 products, now our company has more than 1000 plus products and introduces more and more products in the growing market.

INDIA

### OUR LOCATION :

Our head-office is located in Mumbai.

**GAYATRI INTERNATIONAL** serves an extensive network of clientele including distributors, and dealers, not only in Mumbai but across India.

### OUR VISION :

Our vision is to acquire and sustain the market lead with a healthy business.
